## REPORTS OF COMMITTEES

## ON MEMOIRS

Your committee would respectfully report as follows: During the past few years Death, the grim reaper, has thinned our ranks very noticeably. Some of the staunchest men of the Oregon Conference have been removed from the field. With saddened hearts we note their absence as we meet in our general assemblies, and with prayer upon our lips close up the ranks and march on. With sorrow we chronicle the death of one of the most zealous and faithful of our ministers this year.

On the 24th of February last, W. J. Bowerman, one of the charter members of the Oregon Conference, passed to his reward. Therefore, be it hereby

*Resolved*, That in the passing of our brother the Oregon Conference sustains a lamentable loss.

He was a loyal, true, devoted soul, consecrated to the service of the church. Ever hopeful, cheery, contented, endeavoring to brighten conditions around him, he was an encouragement to all. In his ministry of the Word he was always true to God. Unswerving in his integrity, he maintained through all his service the standards to which in early years he had subscribed. As a fellow worker he was companionable and enjoyable. In honor preferring others, he was an example of unselfishness. In his domestic life he was also an example, as his children all following in his footsteps will evidence, one of whom, Byron W. Bowerman, joins the conference at this session to follow in his father's footsteps. Therefore be it further

*Resolved*, That at some time during this session suitable memorial services be held and B. L. Knoll preach a brief memorial sermon and that opportunity be given members of the conference to pay tribute to our deceased brother.

*Resolved*, also, that we hereby express our sympathy with the bereaved family in this their sad loss, and that a copy of these resolutions be spread upon the records of this session and a copy also forwarded to the family. Be it further

*Resolved*, That as a mark of respect to the memory of our friend and fellow worker we do now pause for a few moments while Rev. J. H. Brown shall lead us in prayer as we bow in submission to the will of Him whose permitted and inscrutable providences are founded in infinite love and wisdom.

## MISCELLANEOUS

The seventeenth session of the South Africa Mission Conference convened at Itemba Mission Station, Engabeni, Natal, South Africa, April 12-16, 1922. There were five sittings of the conference, and seven of the missionaries' meetings.

Though Miss Hartman was alone, she entertained all the missionaries and attended every service, besides serving on a number of committees.

This was perhaps one of the largest conferences we have had, about fifty attending from Fair View alone. Although crops were poor, the native church at Itemba was pleased to have so many with them. The evening meetings frequently ran till past midnight and many received help from God.

The next conference will be held at Fair View.

## MISCELLANEOUS

The twenty-fourth session of the Oklahoma Conference convened at King-  
fisher, Oklahoma, August 9, 1922. Bishop Clark presided. The sessions were  
held in the city park in connection with the conference camp meeting. The meet-  
ings were well attended. Seventy-two tents were well filled with tenters.

Rev. W. C. Graves, of the Southern California Conference, was the evangel-  
ist. His sermons were strong and drew interest and attention from the un-  
saved.

Bishop Clark endeared himself to us by his excellent sermons, most timely  
addresses to the conference, and his kind and impartial administrations, and all  
in grace and dignity.

President Stoll, of Central College, attended and represented that institu-  
tion. Professor Watson represented the Publishing House and also the Sun-

day-school interests. Rev. Slouthour, of the Kansas Conference, dropped in and made the conference a visit.

J. L. Brown managed the dining hall and gave satisfaction to all the camp.

R. H. Shoup and J. L. Brown were elected ministerial delegates and James Secord and Charles Sherbrook lay delegates to the General Conference.

## MISCELLANEOUS

The fortieth session of the West Kansas Conference was held at Almena, Kansas, August 2-6, 1922. This was another very harmonious session. A spirit of unity and brotherly love prevailed throughout.

Bishop William H. Clark presided over the conference in a very able and impartial manner. His sermons and addresses to the conference were spiritual,

timely and pointed, and delivered in such a tender spirit that all were impressed by them. This was the first time we have been privileged to have Bishop Clark with us. We shall be greatly pleased to have him come to our conference again.

A ten days' camp meeting was held in connection with the conference. Rev. A. E. Lathrop was the evangelist, and had charge of the evangelistic services until the conference session began. He was faithful in his labors and preached the Word without fear or favor. There were a number of seekers at the altar, most of whom prayed through to victory.

Professor C. H. Watson, of Lawrence, Kansas, was with us to represent the interests of the Publishing House. He reported the book sales were very satisfactory. Professor Watson also represented the General Sunday-school Board, and delivered two very interesting addresses to the conference in the interest of the Sunday-school work.

The conference took a roll call vote on the question of introducing instrumental music into our church services, and voted unanimously against it.

The collections taken during the conference were all good considering the stringency of the times.

The treasurer of the W. F. M. S. reported \$2,044.59 cash received during the year.

The conference budget treasurer reported \$2,925.67 cash paid in during the year, not including the one fourth of the budget funds that was turned over to the W. F. M. S.

Rev. W. E. Keasling was elected ministerial delegate, and G. J. Archer was elected lay delegate to General Conference.

## MISCELLANEOUS

The thirty-eighth session of the West Iowa Conference was held at Shenandoah, Iowa, August 23-27, 1922. Bishop William Pearce presided with grace and ability. His addresses to the conference were very instructive and ministered grace to the hearers. His sermons were deeply spiritual and appreciated by all. Mr. Dorr Demerary, of Michigan, represented the Publishing House. Paul R. Helsel, of McPherson, Kansas, represented Central Academy and College, and preached once to the edification of the audience. The conference voted unanimously against the introduction of instrumental music in the church. Rev. G. B. Chase, of Lincoln, Nebraska, visited the conference and preached once. Rev. E. Ballenger preached an inspiring missionary sermon Sunday afternoon. An offering of \$50.15 in cash was quickly given. An offering of over \$500 in cash and subscriptions was given Sunday morning to clear the indebtedness on the new parsonage. A spirit of love and harmony prevailed throughout the session. We go forward with renewed courage and victory.

## REPORTS OF COMMITTEES

### ON STATE OF THE WORK

#### ST. JOHNS DISTRICT

At this time we are thankful to almighty God for His kind dealings and blessing which He has showered us with during the past year. I was appointed to the St. Johns District at the last session of the annual conference for the third time. While the year has been one of conflict and victory, yet our work has been a great season of blessing and pleasure to my own soul and I hope it has been some benefit to those with whom I have labored. We were cordially received and welcomed by both the ministry and laity, and as a result peace and harmony prevailed throughout the entire year. The various circuits have been manned by consecrated men of God, who have been untiring and faithful in their labors and sacrifices to build up and extend the kingdom of Christ on earth. Quite a goodly number of the preachers have been evangelistic in their efforts and as a result there have been a number of good substantial members added to the church, who are making good, plain, blessed and model pilgrims of Jesus Christ. To preach the pure doctrines of the Bible, and have seekers obtain and retain experiences in the things of God, and to manifest the same by a well ordered life and godly conversation and to maintain pure Methodism in these days of superficial religion and disregard of divine authority is no small

task. Our quarterly meetings in our judgment have been seasons of blessing and we trust some measure of good has been reaped. The general quarterly meetings have been well attended both by the preachers and laity and the gatherings have been a great uplift to the spiritual interests of the district, and according to our judgment there has been a marked improvement in the growth and spiritual development of conditions on the district on most of the circuits. We held one camp meeting this year on the Elsie and Ovid circuit in the village of Elsie which proved to be a blessed meeting, and much good was derived from this meeting in the salvation of sinners and reclaiming of backsliders and in the sanctification of believers. Eternity alone will reveal the good accomplished as the result of this meeting. The church and parsonage property of the district on nearly all the circuits is free from indebtedness and in excellent condition. At this time I wish to express my appreciation for the confidence the conference has shown in me in giving me charge of so sacred work and I believe I am consecrated to serve the church as the conference and God may direct in the future.

C. E. CASWELL.

#### FLINT DISTRICT

We were sent last year to the Flint District and were received very kindly by preachers and laity, and from the first God set His seal on the work. We believe the faithful labor of those who had been before us bore fruit. This district extends from Saginaw on the north to Pontiac on the south, from Romeo on the east to Durand on the west, thus covering one of the best farming and industrial regions of the state.

On this district we have fourteen circuits and at the 1921 conference there was a total of 715 members. In our judgment these members in intelligence and spirituality are equal to any and inferior to none, that I have met in our own or any church—intelligent, spiritual, liberal and aggressive. We thank God for the noble laymen.

These circuits were traveled as a whole by godly, self-sacrificing men who are earnestly contending for the faith once delivered to the saints. There is a spirit of love and unity between ministers and laymen until we feel one can say, "Behold how these Christians love one another." Amen.

On nearly all the charges special efforts have been put forth for the salvation of souls. At Durand God blessed the pastor's efforts and a new society was organized at Byron. On the Hallers Corners circuit the Spirit was poured out, and a number were saved and added to the church. Linden and Fenton have enjoyed some victory. The society at Fenton has been incorporated and a church is being built.

Pontiac was visited by a gracious revival resulting in a large increase of membership both of Sabbath-school and church. A new society has been organized at Clawson on the Auburn Heights circuit.

The two churches in Flint have had a good year under the labors of the faithful pastors. Souls have been saved and added to the church on both charges.

Otisville, Oxford, Davison, Montrose and Lum have had help from God. Souls have been saved and added to the church. At Montrose a church was bought in the village, adding to the interest of the work.

At Saginaw the pastor and wife have labored with zeal and God has rewarded them with a fruitful year. Large congregations, a growing Sunday-school and an encouraging increase in membership.

The Washington and Romeo circuit has felt a shaking among the dry bones, under the labors and prayers of the hand maiden of the Lord. The Washington society has been incorporated for the first time in its history of over thirty years.

Several tent meetings and one camp meeting were held on the district during the year. The tent meetings were owned of the Lord and the camp meeting was one of the best the writer has been privileged to attend in years.

We close the year grateful to God for His mercy and grace, and rededicate our life to Him for greater service in the future.

A. D. WARREN.

## PORT HURON DISTRICT

The Port Huron District is located in what we term the thumb of the state. There are thirteen circuits on the district. During the past year the ministers have been active and energetic in pushing the work and some good revivals have been held. At Ubyly and Port Huron they have resulted in very marked success. At Carsonville also there was a good revival which resulted in materially strengthening the society. Outside of the pastors our evangelistic help was Bishop William Pearce and our conference evangelist, Nathan Beskin. These men both contributed to our success in revival work. We held one camp meeting during the year at Mayville. While it was not all the success we hoped for, there was considerable good done. The last two days of the meeting were especially good and a number prayed through to victory.

At our camp meeting we had with us Brother F. E. Crippen, who was made a blessing to us and contributed to the success of the meeting. Something has been done by way of building and repairing church property. On the Bad Axe and Ubyly circuit, through the untiring efforts of Brother McCarty the Bingham church was completed and at our first district meeting was dedicated by Rev. A. D. Zahniser. This is one of the best churches in the conference and helps to permanently establish our work in that community.

At Port Huron at the cost of five hundred twenty-five dollars a lot has been purchased at the east side of the church where in the future a new parsonage can be built which is much needed. This is all paid so there is no indebtedness for the future.

The subscriptions on the church at Sandusky have been paid sufficiently so the note is paid, leaving the church free from debt; the balance of the subscriptions will finish the basement.

The Snover parsonage has been painted which gives it a neat appearance. The Mayville parsonage has a new roof and other needed repairs which puts it in a very good condition. The Wilmot church has been newly painted and decorated inside which puts it in a presentable condition. Also the church at Kimball has had new posts put under it and a new platform built. Where the plaster on the ceiling was broken it has been repaired. It has been papered and the outside has been painted.

Through the energy of the pastor, the cooperation of the circuit and assistance of the district, the interior of the church at Harbor Beach has been thoroughly remodeled. The church has been papered, the seats varnished, the windows decorated, and inside the church has a very neat and inviting appearance. A new flush toilet has been put in the parsonage. All of this is paid for. A number of other minor repairs have been made.

There has been a hearty cooperation in every spiritual enterprise and a spirit of harmony and brotherly love prevails. I have had the support of the pastors and pilgrims in the work during the year, and my relations to all have been very pleasant.

We are humbled because more has not been done but thank Almighty God for the measure of success that has been given. The standards of Free Methodism have been maintained and the disposition everywhere has been manifest to stand by our doctrines and uphold our principles. S. H. PORTERFIELD.

## BAY CITY DISTRICT

The Bay City District comprises thirteen circuits in northeastern Michigan, having Bay City for its southern boundary and the famous Au-Sable River for its northern. The district was manned this year mostly by deeply spiritual, aggressive, self-sacrificing young men, who labored incessantly both on their circuits and at the general gatherings for the salvation of souls and the sanctification of believers, and their efforts have been richly rewarded.

The church property where we have societies is in fair condition. Two new societies have been organized during the conference year, one on the Maple Ridge and Melita circuit and one on the Nestor, Sage, Stiles Lake, Canfield and Green Schoolhouse circuit.

At Bay City the work has taken a long stride forward both spiritually and numerically. A large number have been saved and a goodly number added to the church.

At Rose City and vicinity there is a large field ready for harvest. The pastor has labored hard and there have been results both in the revival efforts and quarterly meetings.

At Gladwin the work has advanced both in a spiritual and temporal sense. Our mid-winter district quarterly meeting was held there and there was a good work done. An annex costing around \$1,000 was erected; also the main body of the church was papered and painted on the interior and outside and with the improvements on the West Grouse church around \$1,300 has been raised for improvements. We with the circuit regret our inability to return the pastor for the fourth year.

At Nestor, Sage, Stiles Lake and Canfield circuit there will be reported a large increase in membership, nearly twice as many as reported last fall. There has been a new society raised up during the year. There were seven conversions in our last quarterly meeting and a revival spirit prevails among the pilgrims.

At Midland our annual camp meeting was held, which proved one of the best the writer ever attended. Many sought God for pardon or purity. The altar services lasted many times until morning. Much credit is due the pastor and pilgrims for the good work done, as things were as far as possible ready to hand when we came.

At Maple Ridge and Melita there has been a good work done, especially at Melita the Sunday-school and church work are prospering finely. At Hockaday and Sherman there was a most excellent revival held by the pastor and Rev. W. J. Cross, which resulted in a number joining the church. We saw eighteen join the church on Sunday of a quarterly meeting. The parsonage has undergone extensive repairs and the property is in fair condition. At Highwood, Winegars, Arbutus, Rhodes and Mt. Forest the pastor will report a good year, with the membership nearly doubled. At Frazer and Kawkawlin there have been extensive repairs on both the church and parsonage property—painting, paper-hanging and concrete work, until everything from church and parsonage buildings even to the steps and platform looks like new.

At Siloam we have no church property, but worship in a township hall. The pastor we believe will report a good year and a marked increase in the depth of spirituality. At West Branch there has been an increase in membership and a commodious annex has been built on the church at Edwards and splendid lamps have taken the place of the odorous kerosene lamps of the past. At Luman and Coleman there have been some fine improvements made on the interior of the church and the members have invited the next district quarterly meeting to be held at Luman. At Standish the pastor has labored hard against great odds, in the main supporting himself and family, yet is always cheerful and never speaks of quitting his post.

A. J. STEVENS.

#### ALPENA DISTRICT

On this northern district the district elder has held eleven series of meetings, preached 308 times and moved five times. There have been four new classes organized, namely, Walker, Gibbs, Vanderbilt and Wolverine, with a total membership of sixty. About six hundred children have been clothed. One new church at Hillman has been dedicated.

A. L. HAYWOOD.

## MISCELLANEOUS

The forty-ninth session of the Iowa Conference was held on the camp ground at Birmingham, Iowa, in connection with the Fairfield District camp meeting, August 30-September 2, 1922. Bishop William Pearce presided. He addressed the conference each morning and preached on Sabbath morning to a large audience. We appreciated the privilege of seeing and hearing Brother Pearce again and of having Sister Pearce with us.

Rev. F. M. Smith, the district elder, and his helpers had worked hard to get everything in readiness for the camp meeting and conference.

A large boarding tent on the cafeteria plan was ably conducted by Rev. J. W. Whiteside and his coworkers.

The business sittings of the conference were held in the morning, and in the afternoons and evenings gospel services were conducted. Rev. J. T. Logan, editor of the *Free Methodist*, and Prof. John LaDue, of Greenville College, were the invited evangelists. A number of persons sought the Lord.

### MISCELLANEOUS

The sixty-third session of the Illinois Conference was held on the Chicago District camp ground at Glen Ellyn, Illinois, August 23-27, 1922. Bishop David S. Warner, who resides in Glen Ellyn, presided in a most acceptable manner and his preaching and addresses to the conference were of a high order. This session was held in connection with the district camp meeting. Rev. A. D. Zahner was the invited help and proved to be help indeed. His sermons were unctious, powerful appeals to the unsaved and unsanctified to get right with God and nightly the altar scenes were glorious, as many seekers found the pearl of greatest price. Rev. Erman Weidman had charge of the singing and proved a great blessing to the camp.

Again we were favored in having with us as special help during the greater part of the meeting, that God-blessed and heroic champion of Bible doctrine and scriptural theology, Rev. John LaDue, of Greenville College, who in his inimitable manner daily edified the saints by bringing forth things new and old out of the treasury of Holy Writ.

Revs. W. B. Rose, L. Glenn Lewis, N. W. Fink, G. W. Weidman, J. J. Hales, R. G. Wilkin, C. W. Smith, Ezra Whitton and J. K. Peckham were appreciated visitors.

Rev. James H. Taylor, grandson of J. Hudson Taylor, gave the missionary address the last Sunday afternoon, at which time an offering of over one thousand dollars was received.

The conference by a strong vote memorialized the forthcoming General Conference to resist any effort looking toward the introduction of instrumental music among us.

The following appropriations were made from the conference missions fund: Elgin, \$50; Davenport, \$50; Belvidere, \$35; Sheffield circuit, \$30; Farmington and Galesburg, \$50; conference treasurer, \$50.

The following appropriations were requested of the General Missionary Board: Elgin, \$100; Davenport, \$100; Belvidere, \$50; Farmington and Galesburg, \$75.

## MISCELLANEOUS

The fifty-eighth annual session of the Michigan Conference was held at Spring Arbor, Michigan, August 30-September 2, 1922.

Bishop D. S. Warner, for many years a member of the conference, presided with great acceptability. His sermons and addresses were the means of great blessing not soon to be forgotten by all present.

The pastor, J. G. Fortress, with his wife and the pilgrims and friends at Spring Arbor provided for the conference in the most hospitable and sumptuous manner. None were restricted in attending the conference as has been the custom since the beginning of the work in Michigan. Over two hundred were easily cared for because of such efficient help by those accustomed to such work in caring for the students in the school.

James Taylor was with us in the missionary meeting Sunday afternoon, as

well as Newton Fink, our general treasurer. The offering and subscription amounted to over \$1,000 which was very liberal considering that over \$3,600 had been raised in the morning service to assist in paying for the fine church which had been erected in Spring Arbor during the past summer. This church built of faced stone, finished in oak, that will seat over 400 persons, is a model of durability and neatness as well as plainness. Much credit is due to the pastor, James Fortress, and the faithful ones at Spring Arbor.

The Seminary was not forgotten, in that \$800 was raised to assist in paying for the electric lights that have been installed the past year. The same spirit of liberality prevails at the annual sessions of the conference as has been characteristic for many years. The conference took action as they did last year ordering that one dollar per member be raised throughout the conference to assist in repairing the Seminary buildings.

The conference requested that the General Missionary Board grant the following to the various circuits the coming year: Temperance, \$50; Sherwood, \$50; Hillsdale, \$50; Hudson, \$50. Action was taken indorsing the request made by the Spring Arbor society in asking the Church Extension Board for \$1,000 with which to make the last payment on the new church.

H. Montgomery was elected as a committeeman to act with a delegation from the North and East Michigan Conferences to, if possible, have the next session of the General Conference held at Corunna, Michigan, and to also act as one of the committee to arrange for the conference if held in Michigan.

The following were introduced to the conference and invited to honorary seats: W. B. Stoddard, lecturer for the National Christian Association; N. M. Cooke and F. D. Voller, of the East Michigan Conference; Walter A. Sayre and R. B. Niles, of the Ohio Conference; Peter White, treasurer and institutional manager of the Seminary, and W. H. James, a superannuated preacher of the Ohio Conference, now living in Spring Arbor. Several of the visiting brethren preached during the conference.

The sum of \$78.80 was raised to publish the minutes.

The elder on the Spring Arbor and Kalamazoo District was instructed to sell the church property at Decatur.

The society at Carleton was declared extinct and the elder instructed to sell the church and parsonage and apply the proceeds toward a district parsonage on the Detroit District.

F. L. Baker and Lewis Snyder were nominated by the conference to be elected as trustees of the Seminary.

The following were elected as ministerial and lay delegates to the General Conference: Ministerial, H. Montgomery, John Timbers; reserve, F. L. Baker, W. C. Muffitt. Lay delegates: Lewis Snyder, F. C. Holden; reserve, W. W. Clark, C. J. Newland.

The W. F. M. S. reported \$1,443.44, raised for missions during the year.

The conference voted the following memorials sent to the General Conference:

1. A unanimous vote was taken that no change be made in our book of Discipline with respect to the use of instrumental music in our churches.

2. That the General Conference take action consolidating the offices of general Sunday-school secretary and the editor of Sunday-school literature.

3. To take action abolishing the office of the general educational secretary, but in case it is thought best to continue same, the president of one of our schools be appointed thereto, without salary.

4. That action be taken to dispense with the general budget as now operating. (The preamble of this memorial is too long for printing in the Minutes.)

5. To take action revising our book of Discipline so as to make any affiliation with any labor union a bar to membership in the Free Methodist Church. (This is given in brief.)

6. No school shall receive support from church funds nor be allowed to solicit money or students within the denomination which fails to enforce the following regulations:

- (1) No society shall be allowed to exist among the students that has any

exclusive features by which a select membership is maintained similar to fraternal organizations.

(2) The wearing of immodest attire and the use of tobacco in any form are prohibited.

(3) Football, all games that are generally associated with gambling, dancing and games leading thereto, and all interscholastic contests are forbidden.

(4) The rendering of class plays, dramas and all amateur theatricals in public and private are forbidden.

(5) Student publications shall be censored so that all material inconsistent with our attitude as a church devoted to separation from the world and holiness shall be eliminated therefrom.

(6) No teachings shall be tolerated which are out of harmony with our articles of religion.

In case of complaint for the infraction of any of these rules, said complaint shall first be presented to the Educational Board of the annual conference in which it originated, and in case it shall be found valid, said complaint shall be referred to the Executive Committee which shall hear all the evidence and apply the penalty to any school found guilty, until such school shall harmonize with the foregoing provisions. (Introduction of above omitted.)

## REPORTS OF COMMITTEES

### ON EDUCATION

In Daniel 12:4 we read that in "the time of the end" "many shall run to and fro, and knowledge shall be increased." If ever there was a time in the history of the race when this prophecy had a fulfilment it is now. Our graded schools, high schools, colleges and universities are crowded with seekers for knowledge. If we as Free Methodists mean "to serve the present age" and fulfil our calling to "spread scriptural holiness over these lands," we must rise to the call of the hour and equip our young men and young women intellectually, as well as see to it that they are fitted spiritually for the work which lies before them.

In view of the increase of materialism, Unitarianism, Darwinism and scepticism, we feel that too much stress can not be laid upon the necessity of a truly Christian education. A Christless culture that denies the essentials of the faith once delivered to the saints is worse than ignorance, for an ignorant man may make it through to heaven but an educated sceptic will not only fail himself of the kingdom but will be a potent agent in turning many away from the true faith. Our public schools as well as our state institutions of higher learning which were once conservators of our principles as a free country and the bulwarks of our American system of government, have to an alarming extent been captured by the enemy and are being used to foster Unitarianism, Bolshevism, low morals, dancing and dramatics, all of which are opposed to the truth of God's word. Schools of fine equipment because of the low morals of the teachers and the failure to reach the proper intellectual standards are being removed from the accredited list of our state university. In one of the northern towns of our state, a school with a \$90,000 plant has been removed from the list because of inefficient teachers.

In some of our larger cities the moral condition of the high schools is truly deplorable. Young girls in their early teens are being compelled to leave school

for reasons we may well guess. The prevalence of the modern dance evil is largely responsible for this sad state of affairs. A professor of our state university made the statement last summer that the matter of the dance was becoming a serious problem with the university authorities. He said that many of the popular sorority young ladies had dance engagements for every night in the week with the possible exception of Sunday night.

The craze for the theater and the "movie" has captured our schools. Modern educators are stressing the educational value of dramatization and will, unless stopped, make young actors and actresses out of the sons and daughters of many of our pilgrims. Social affairs of various descriptions are robbing the young people of their time for study and for home duties and pleasures.

Of late we have watched with great interest the work of William Jennings Bryan in combatting the teachings of Darwinism in our educational centers. A recent writer has said, "Notwithstanding the fact that Darwinism is no longer believed in the circles in which it originated, its influence for harm was never so great as now. The reason is that the theory has found its way into the theological seminaries, and into the school books of the children, where it is doing the deadly and truly devilish work of discrediting in the eyes of many, the statements of God's word." "A parent in writing to a religious periodical, tells of a text-book brought home by his seven-year-old son, the title of which was 'Home Geography for Primary Grades.' The following quotation will serve to show what is now being taught to children of the most tender years. Discussing the subject of birds, this text-book for primary grades says: 'Ever so long ago their grandfathers were not birds at all. Then they could not fly, for they had neither wings nor feathers. These grandfathers of our birds had four legs, a long tail and jaws with teeth. After a time feathers grew on their bodies, and their front legs became changed for flying. These were strange looking creatures. There are none living like them now.' Such are the monstrous fictions taught to little children as scientific truth." "It is a significant and disquieting fact that a determined effort recently made in the legislature of Kentucky to forbid the teaching of evolution in the schools of the state was defeated. Thus the arch-enemy of God and man has maneuvered this 'Christian' country into the position where the accepted canons of education forbid the teaching of the Bible to the children of the tax-payers, but permit the teaching of one of the most anti-Christian and unscientific doctrines that ever made a bid for public favor."

In view of these conditions it is hardly necessary for us to plead for the continued support of our Christian schools and colleges. The denominational schools of college grade of our larger denominations, with but an occasional exception, do not seem to be a whit better than the state schools. If the question arises whether the young man or young woman from Free Methodist homes should be sent to a state school or Greenville College there could be but one logical answer.

While we are heartily in favor of and pledge our support to our own denominational schools, we would advocate a fixed moral standard for them, eliminating immodesty in dress, playing of games that might lead to gambling or dancing, numerous or elaborate social functions, dramatics, interscholastic games of any description. We would also urge a strict censorship of student publications by those in authority so that any periodical issued by the student body of our institutions might not contain anything inconsistent with the principles of holiness and spirituality for which we as a people stand.

We pledge our hearty support of and cooperation with the trustees and faculty of Spring Arbor Seminary to make it all it should be as a training school for our own young people. We commend the action of the faculty in support of modesty and plainness in apparel among the student body in this age of indecent dressing. We trust that as a school it shall always stand for the ancient landmarks of separation from the world, holiness of heart and spirituality of life. We view with interest and favor the proposal to extend the course of study in Spring Arbor Seminary so as to make it a junior college, especially in view of the fact that there is an ever-increasing demand for such action in the patronizing territory of the school.

## MISCELLANEOUS

The twenty-seventh session of the West Ontario Conference was held at Port Rowan, Ontario, August 23-27, 1922. This was one of the busiest sessions that has ever been held in this conference, many important matters as to the well being of our work in Canada coming before us for consideration.

We were much pleased to have with us Bishop Walter A. Sellew and his wife. His wise counsel and excellent sermons we believe were made a wonderful blessing to all.

On Sunday morning \$1.100 was raised in cash and subscriptions to pay off the mortgage on the local parsonage property and for repairs on the church.

J. W. Winans, our returned missionary from the Dominican Republic, was present and gave us an inspiring address on Sabbath afternoon on missions, being followed by the bishop. During the past year a school property has been purchased near Lorne Park, Ontario, and ere long we are hoping to have a Canadian salvation school in operation.

We were favored with the presence of the following visiting brethren: Rev. J. A. Watson, North Indiana Conference, and Revs. R. Burnham and W. Zurbrigg, from the East Ontario Conference. The conference was entertained royally by the pilgrims and friends of the Port Rowan society. H. G. Kent, their pastor, was abundant in labors and seems to be the right man in the right place.

## MISCELLANEOUS

The tenth session of the Georgia and Florida Conference was held in the Free Methodist Church, Macon, Georgia, September 13-17, 1922. Bishop Warner was with us for the first time. We hope he may come again. His kindly spirit, wise counsel and pulpit ministrations won for himself a large place of esteem in our midst. The reports of the preachers were generally good, though the financial condition in some places is very bad on account of the ravages of the boll weevil. The plans for the new year call for consecration, sacrifice and faith, but practically all looked forward with confidence for victory and success. The appointments were well received. The Sabbath was a great day. God was in the midst to own and to bless. Florida wants the next session, and our faces are set in that direction. The work there is taking hold in a strong way, and we prophesy great things for the land of sunshine and flowers.

### B. WINGET

The Committee on Memoirs, at the recent session of the Georgia and Florida Conference, presented the following paper at the service held in memory of B. Winget. On motion it was adopted by the conference and ordered published in the printed Minutes, and also in the *Free Methodist*:

Benjamin Winget was born near York, New York, June 27, 1845, and died at St. Petersburg, Florida, October 29, 1921. Of his early life we have had but brief glimpses, and those have come to us from the pens of others, he having spent the larger part of his life in a distant part of the country. But those glimpses have shown us many things significant and fundamental. Converted at the age of fifteen, he early gave promise of the life and work which the church and world were afterward to know. A man of his type and conversion could not remain indifferent to the world's need. When the call came for labor in its white harvest field, he was not disobedient to the heavenly vision. He joined the Susquehanna Conference at the age of twenty-one and never became supernumerary or superannuated. He received appointment from the annual conference for fifty-seven consecutive years. His entire life was spent in the active work of the church. He served as pastor and district elder in the Susquehanna and Genesee Conferences until elected missionary secretary in 1895. In the latter capacity he served for twenty years. Upon his retirement from this office, he was advised by his physician to seek relief from the rigor of the northern winters, and St. Petersburg, Florida, became his home.

We first met Brother Winget in September, 1916. Bishop Jones was to have presided at that session of the Georgia and Florida Conference, but was unable to come, and sent Brother Winget in his stead. In 1917 he transferred to this conference, and faithfully served it as district elder and evangelist, remaining active until the time of his death. The now flourishing work at St. Petersburg, Florida, is largely the result of his labors. During these few years he won for himself a large place in many of our hearts. Truly a father in Israel is gone.

As a Christian, Brother Winget was whole-hearted, devout, reverent. As a preacher, he was clear and positive in presentation of truth, dignified in bearing, adorning the doctrine of Christ. As missionary secretary, he was indefatigable in labor, and persistent in what he considered best methods, not sparing himself in toil and application. He died as Christians die, trusting in the merits of Christ, strong in faith and heavenly comfort. May God help us to carry on the work which he labored so faithfully to promote.

### MISCELLANEOUS

The session this year was again held on our own camp ground and was in every way a great meeting. Unusual heat was depressing in its effect, but eternity alone will reveal the good done.

We were more than pleased to have with us for the first time Bishop William H. Clark. He is surely in the Lord's order in his present work. His sermons and addresses were a great inspiration. Evangelist B. N. Miner, from Buffalo, New York, proved a splendid evangelistic preacher, and contributed much to the success of the camp meeting.

The conference continued its custom of recent years and requested each charge to raise an amount equal to  $2\frac{1}{2}\%$  of the pastor's salary, which is used to help the pastors on the weaker charges. It has proven very satisfactory.

The pastors' reports were very encouraging, and showed a net gain in the conference of 110 in full connection and 66 probationers.

A spirit of harmony prevailed, and the business of the conference went along nicely, though it required five regular and five adjourned sittings to get through.

David McLeod, J. E. Cochrane and W. W. Vinson were elected ministerial delegates to the General Conference. B. C. Johnson, G. A. Anderson and D. C. Lamson were the reserves. Victor E. Larson, H. S. Greenwald and A. G. Ball were the lay delegates, and M. M. Horton, C. O. Cooper and Mrs. Nora C. Lamson were the reserves.

The conference memorialized the General Conference to provide for the organization of an Arizona Conference when the disciplinary requirements shall have been met.

## REPORTS OF COMMITTEES

## I.—ON STATE OF THE WORK

In viewing the condition of the work in the conference, after another year of toil and sacrifice, we feel that we have great reason to rejoice because of God's manifold goodness in bestowing such a bountiful supply of grace, accompanied with a gracious endowment of the Holy Spirit, which is always an indispensable element in a true evangelical ministry.

Often in our travels to and fro from one gospel field to another in the interest of the cause of God and His church, we have been forced to exclaim in the language of Samuel the prophet, when he took a stone and set it up between Mizpeh and Shen, and called the name of it Ebenezer, saying, "Hitherto hath the Lord helped us." It is with pleasure that we note some of the features of the work over the conference which afford us a great deal of encouragement.

There is a splendid spirit of harmony generally between the ministry and the laity. Our district quarterly meetings have been a great source of refreshing, and have been free from crossfiring, uncharitable taunts or un-Christlike denunciations. We believe, too, there has been an advance made spiritually. Special revival meetings have been held on practically every circuit. Two new charges have been organized and two new churches built and dedicated. There has been a gain of 110 full members and 66 probationers during the year, and with a ready will all of the temporal needs of the work have been provided.

## II.—SABBATH OBSERVANCE

Inasmuch as a proper observance of the Sabbath has become almost a forgotten thing by a majority of the people of the United States and especially of California, it is high time that the influence of the church of Jesus Christ be thrown against this desecration of God's holy day.

The supreme court of the state of New York, in sustaining the Sunday law said, "The act complained of here compels no religious observance and offenses against it are punishable not as sins against God but as having a malignant influence on society." The supreme court of the United States on March 16, 1885, said, "Laws setting aside Sunday as a day of rest are upheld, not by right of government to legislate for the promotion of religious observance, but from its right to protect all persons from the physical and moral debasement that comes from all uninterrupted labor. Such laws have always been deemed beneficial and merciful."

The downfall of Germany came almost entirely from her disregard of the Christian Sabbath. More than three fourths of her factories, establishments of trade and transport were running seven days a week as well as her beer gardens and places of debauchery, revelry and drunkenness. Blackstone's words have become familiar, "Corruption of morals usually follows the non-observance of the Christian Sabbath." The chief justice of England said, "Nine tenths of those convicted before me say they started in their road to crime by Sabbath desecration." Daniel Webster said, "Where God's day is perverted to mere pleasure and recreation, more drunkenness keep up the orgies of hell, more foul immorality rot into society, more revelry, carousal, fighting and crime, debase mankind and more blood reddens the earth on that day than on any other."

In view of these quotations we believe that there should be a law on the statute books of every state forbidding trade and the wide-open theater on the Sabbath. We protest against the propaganda which is now being carried on by the Seventh Day Adventist Church, along with the underworld to defeat federal and state laws relative to Sabbath keeping, as well as that of the past, attempted, and largely successful. We do not think that legislation looking to a day of rest and worship is sectarian but Christian. It is the sense of your committee that the use of automobiles, street cars and other means of conveyance should not be indulged in by Free Methodists on the Sabbath day save for attendance on religious services or for errands of mercy. We wish to pro-

test against our people using the automobile as an excuse for leaving services at home and going off to other meetings, unless it be to the general gatherings of our own church.

We recommend the pastors of this conference to preach on the proper observance of the Sabbath, insisting that this is as much a part of the great law of love and of righteousness as "Thou shalt not kill," or any other part of the ten commandments. And that all of us, laity and ministry, call the attention of every voter in the range of our influence that it is his duty to vote for such a law to be placed on the statute books of California as the opportunity presents itself.

### III.—ON PROHIBITION

The whole world is watching this country. Every drinker on earth who wants to continue to be a drunkard, every wine grower in France, every beer maker in Germany, every whisky producer in England and Scotland, and every other liquor interest in all the world are struggling with all possible energy to break down prohibition in this country.

The call comes to every member of the church to awake to the situation. A half awake people will never be able to defeat the sly and undermining efforts of the brewing interests that are doing everything possible to create sentiment, dissatisfaction, and to bring about the election of men to congress that will nullify the eighteenth amendment.

Truly a great miracle has been wrought in bettering humanity, in lessening drunkenness, in increasing the comforts of women and children and advancing all civilization, but the criminality of the so-called "smart set" in breaking down the laws of the nation and thus encouraging anarchy must be suppressed, and the efforts of the liquor interests to restore beer and wine must be vigorously opposed as the entering wedge for the return of the liquor traffic.

The most dangerous class of people in America today is the so-called respectable people, young or old, who in the spirit of bravado boast of their being able to violate the prohibition law and rob the government, and thus set an example which leads down the straight road to hell. No man can break the constitution of this government and join in the violation of its laws without becoming a criminal in reality, even though he may not think he is a criminal in thought and act.

The "Wright Law" for the state enforcement of law must win. The church member vote alone, if deposited in the ballot box 100% efficiency, would guarantee the success of this law in California. We hope that every Free Methodist minister will stir up every member of his church and congregation to do their duty on election day.

## MISCELLANEOUS

The forty-ninth session of the New York Annual Conference was held in the Free Methodist Church, Beach Lake, Pennsylvania, September 20-24, 1922. Bishop Walter A. Sellew presided over the seven harmonious sittings with ability and general satisfaction. His messages of advice and instruction were much appreciated. The following ministerial brethren from other conferences were

welcomed and invited to honorary seats: F. L. Baker, Michigan; G. W. Garlock, Genesee; O. B. Russell, M. S. Babcock, C. A. Fox, Susquehanna.

About \$2,000 in cash and subscriptions was raised for all purposes. The W. F. M. Societies raised during the year over \$4,000 for foreign missions, and after the able missionary address Sunday afternoon by F. L. Baker, more than \$750 in cash and subscriptions was received. So large was the attendance on Sunday morning that the church was inadequate, so a pulpit with canopy was erected in the adjoining field, and with autos parked in a large circle and benches inside filled with people, the bishop delivered an inspiring sermon, after which Charles E. Ross was ordained elder. Another feature of the day was the large conference Sunday-school.

The Beach Lake society and pastor deserve much credit for the excellent manner in which they supplied entertainment for the large number in attendance.

The following were elected delegates to General Conference: Ministerial—J. T. Logan, C. E. Ross. Lay—W. J. Barnes, Calvin Butts.

## MISCELLANEOUS

The forty-fourth annual session of the Ohio Conference showed clearly that any spirit of compromise was to meet a certain defeat in our borders. The ring of old-fashioned testimony and salvation was recognized. Bishop Sellew was more than ever appreciated. His addresses were highly instructive, deeply

spiritual and very inspiring. We were pleased to have with us several visiting preachers.

The following appropriations were requested of the General Missionary Board: Athens, \$25; Glouster circuit, \$20; Sarahsville, \$25; Delta, \$100; Lima, \$100; Alliance, \$100; Grigg's Corners, \$25; Mt. Vernon, \$100; Pomeroy, \$25; Bennett's Corners, \$25.

Two of our highly esteemed pastors, Rev. E. D. Crane and Rev. O. L. Spencer, passed to their eternal home during the year.

**REPORTS OF COMMITTEES****ON STATE OF THE WORK**

There are many reasons for gratitude to God, and these reasons connect with the activities of our loyal preachers and members who manifest zeal and sincerity in religious matters, and yet the state of the Lord's work in Ohio as represented by the Free Methodist Church is not what it ought to be. There is a lack of real spirituality. Many of our people manifest very little spiritual fervor in religious meetings. Unsaved people are not drawn to our meetings as they should be on account of the lack of spiritual power. Real soul burden for the lost is not manifested to any great extent in our evangelistic services. When, at times, souls are persuaded to come to the altar, a lack of prevailing prayer around the altar among those who gather to help the seekers seems to result in a lack of clearness in the experience sought.

Another distressing hindrance to our work, one which often accompanies spiritual poverty, is a lack of unity in societies. Strife among brethren is one of Satan's tricks to block revivals, and is now being successfully used in some places. Our pastors should do everything in their power to bring about a state of unity in every society they serve.

The foregoing statements concerning what we lack should not cause despondency, but should be carefully considered and the best efforts we are capable of should be made to improve the situation.

We urge our preachers to emphasize the doctrine of the witness of the Spirit and ever press forward the matter of personal, present and conscious victory. We recommend that a holiness convention be held on each district during the year. We also recommend that one state convention be held and that the Committee on Aggressive Evangelism be authorized to decide on the time and place for holding such a state convention. We further recommend that the programs of these conventions be so arranged that those who attend will be given an opportunity and urged to seek holiness at each sitting held.

We recommend that at least two revival efforts be held in each church in Ohio during the coming year.

We recommend that the district elders be authorized to raise money and use the same in aggressive evangelistic work the same as last year, and that the district elders be authorized to raise a fund to be used on their districts in helping those pastors under their care who do not receive enough support to enable them to refrain from secular employment.

## REPORTS OF COMMITTEES

### I.—ON MEMOIRS

Ulysses E. Grant Hoover, the only child of Enos and Margaret Hoover, was born near Perkinsville, Indiana, October 10, 1863. He was united in marriage to Miss Florence A. Wood, January 5, 1887. To this union were born three sons and two daughters—Paul and Ralph, of Attica, Indiana; Emory, of Knightstown, Indiana, and Mrs. Lois Roberts, of Pine Village, Indiana. He leaves to mourn their loss, his wife, an aged mother, his children and many friends.

He loved his family with the deepest, truest devotion. No task was too difficult, no sacrifice too great to make for them.

He was converted when a young man and has given over thirty years of his life to the service of his Master.

He was for many years an ordained minister in the Free Methodist Church and served as pastor of the following charges: Knox, Larwell, Roberts' Chapel, Ft. Wayne, Union City, Springville, Columbia City, and Attica.

He also served several years as district elder and for five years was field agent for the Orphanage and Old People's Home at Woodstock, Illinois.

Brother Hoover was a very humble man, no self-seeking was manifested in his life. He was always ready to assist the poor and the needy and to lift up the fallen.

He was loved and highly esteemed by his friends, and his life work will be a bright memory and an inspiration to all who knew him.

One of his noble sons gave evidence of his implicit confidence in his father's holy influence in the home life when he said, "The Master looked down in compassion upon the physical suffering of His disciple and smiled upon him as He pronounced the benediction, 'Well, done, thou good and faithful servant; enter into thy rest.' Peace and rest for the tired, worn body and eternal life for the brave spirit."

## MISCELLANEOUS

The twenty-seventh annual session of the East Ontario Conference has come and gone. It was held in Peterboro, Ontario, August 30 to September 4, 1922, and was one of the most harmonious sessions it has been our privilege to attend.

We were favored in having with us the following visitors: Revs. W. B. Olmstead, missionary secretary; J. W. Winans, returned missionary from the Dominican Republic; C. Cunningham, of the Saskatchewan Conference; C. W. Cronin, of the Alberta Conference; Miss Ethel Davey, returned missionary from Africa.

The missionary meeting on Sunday afternoon was out of the ordinary and especially owned of God. It was interesting, profitable, uplifting and spiritual from start to finish. The offerings and subscriptions amounted to about \$1,300, after which, while the blessing of the Lord fell upon us, several young people came forward and stood beside Brother Olmstead, thus indicating that they felt a call to foreign service.

We were pleased to have with us our senior and highly esteemed Bishop Sellow, and though his sun is approaching the horizon, yet he retains his keen executive ability and can preach with the same unction and power as of yore. We look with profound admiration upon the aged minister of the gospel, wielding the sword of the Spirit, still conquering new enemies, achieving new victories and gathering fresh laurels.

The conference voted unanimously against the introduction of instrumental music into our churches.

## MISCELLANEOUS

The sixty-second annual session of the Susquehanna Conference was held at Cortland, New York, September 13-17, 1922. Bishop Walter A. Sellew presided with general acceptability. His sermons were edifying and helpful. The pastor and people at Cortland entertained the conference in a splendid manner.

An interesting missionary meeting was held Sunday afternoon under the auspices of the Woman's Foreign Missionary Society. There were three mis-

sionaries on furlough present—Miss Minnie K. Hessler, from Japan; Miss Belle Avery, from Santo Domingo; Miss Helen I. Root, from India. The address was given by Miss Root, and Rev. F. L. Baker took the offering which amounted to \$2,000 in cash and subscriptions.

A very impressive memorial service was held for Rev. J. S. Bradbrook, one of the oldest members of the conference, who had died during the year.

## MISCELLANEOUS

The first day of October, 1922, marked the closing of the twenty-fifth session of the North Dakota Annual Conference. Bishop Pearce presided over its sittings in a satisfactory manner and greatly endeared himself to all. We look

forward with pleasure to the time when he will be with us again. His addresses to the conference were able and instructive and much appreciated by those who heard them. The able and unctuous sermons of Evangelist M. E. Lewis, of Terre Haute, Indiana, and Bishop Pearce were productive of much good. Several were at the altar seeking salvation and professed to obtain.

A spirit of love and harmony was manifest throughout the entire session. The appointments generally were well received and we go to our respective work determined to make this year the best.

## MISCELLANEOUS

The thirty-sixth session of the North Minnesota Conference was held at South Haven, Minnesota, September 20-24, 1922. We were pleased to have Bishop Pearce and wife with us. He presided to the satisfaction of all. His daily addresses to the conference were instructive. His preaching was power-

ful. He unsparingly denounced the modern evils, and the modern type of religion. His able defense of God's word and genuine salvation will not soon be forgotten by his hearers. Sister Pearce gave an able and interesting address on Mohammedanism at the missionary meeting Sunday afternoon, after which an offering of \$75.41 was taken.

Rev. B. J. Vincent, of Wessington Springs, South Dakota, and Revs. Voss and Yotter, from the Minnesota and Northern Iowa Conference, were welcome visitors. The conference voted against any change in the Discipline on the question of instrumental music, with only one vote in favor of it.

F. O. Lewis was elected ministerial delegate to General Conference, and M. W. Sides reserve; J. S. McCay, lay delegate, and Harry Redfield, reserve. In the W. F. M. S., Emma Fisher was elected delegate and Helen Potter reserve.

## MISCELLANEOUS

The fortieth annual session of the Pittsburgh Conference was held in the Free Methodist Church, East Liverpool, Ohio (Oakland), October 4-8.

Bishop, nay, "Brother Sellew" presided in his usual amiable manner. His sermons were simple as gospel truth can be, inspiring, helpful and much appreciated by all who heard him. The sessions throughout were blessedly harmonious. The entertainment was excellent; more visitors attended than for many years, due to the hustling pastor and his people. About \$1,300 was raised in cash and subscriptions for the W. F. M. S. on Sunday afternoon. Offerings were also taken for Chili, Pittsburgh Mission and evangelism.

The following ministers were introduced to the conference during its sessions and invited to honorary seats: F. L. Baker, Publishing House representative, of the Michigan Conference; R. B. Niles, W. J. Hampp, F. C. Easton, of the Ohio Conference; Edward Blews, of the Oil City Conference; J. C. Davidson, G. W. Garlock, principal of the A. M. Chesbrough Seminary, of the Genesee Conference; B. W. Huckabee, general conference evangelist; H. N. Heppler, of the Kentucky and Tennessee Conference; Dr. Poling, of the No-Tobacco Army, and the following city pastors: O. L. Beenedum, P. N. Pocock, of the Church of the Nazarene; R. J. Norris, of the Methodist Episcopal Church; and D. W. McCleod, of the First Presbyterian Church.

## REPORTS OF COMMITTEES

## ON REFORMS

Since the introduction of sin into the world by Satan, evils of every kind have appeared. These in their wake have left untold misery and sorrow, involving multitudes in present and eternal destruction. The extent of sin's operation is boundless, and inasmuch as its awful effects are seen and felt on every side, we as a church must and do take our stand against the iniquities which threaten to destroy us as a people and nation. Space forbids our mention of only a few of these evils nearest our doors, against which we offer our strongest protest.

1. Desecration of our Christian Sabbath. The command from God is, "Remember the Sabbath day to keep it holy," and is it not well for us to keep in mind that the keeping of the Sabbath as commanded lies at the very foundation of our holy religion. Its proper observance secures to the Christian untold blessings, while a violation of the command is fraught with spiritual ship-

wreck and loss and if continued in, it results in eternal ruin and death. We deplore a slackness along this line on the part of some in our midst; they do not regard the day as unto the Lord. All unnecessary Sunday visiting and gossiping should be shunned. Some we fear spend too much time in bed or idle their time away. This we believe to be a plain violation of the divine command. This is not keeping the day holy. The automobile is with us to stay (blessings upon the inventor), but we as a people protest against Sabbath auto riding only as we can truthfully say we are on a mission of mercy, or going to or from our place of worship. Let us be careful how we attempt to mix gasoline with our religion.

2. Dress. When we protest against much of the modern dress, we are comforted with the thought that decency, respectability, modesty and virtue are on our side. Too much can not be said with respect to this evil. It is creeping into our own midst; therefore, we would speak in protest so plain that he that runneth may read. When we see its encroachments and note a tendency on the part of some to depart from the wholesome instruction on dress contained in our Discipline and the teachings of the Book of books, we are led to earnestly entreat all people in general, and Free Methodists in particular, to put away all apparel unbecoming our profession as Christians, or such dress as immodestly exposes to public view the form or person. The daring approach to lewdness and vile suggestion of the short sleeve, low-necked, transparent waist and short skirt can never be harmonized with decency, the testimony of the godly or the plainest teachings of God's sacred word. To be square with its holy admonitions, all must adorn themselves in modest apparel with shamefacedness and sobriety.

3. The liquor traffic. This is a gigantic evil, evil and only evil continually. Not one commendable thing can be said of this monster. It robs its victims of money, health, character and life itself. We rejoice that it has received such a telling blow in our land by the forces of righteousness, yet let us not think that this evil is dead beyond resurrection. It is not; therefore, we must not be found asleep on this question, otherwise we may live to see the day when its beastly ravages may be seen and felt in the land as in other days. It is clamoring now to be reinstated for legal recognition in our national life. Let us go to the ballot box and hit hard this enemy of God, home and native land.

4. Tobacco. Seven billion cigarets consumed during the year is the boast of the manufacturers of a certain brand. Seven billion vile cigarets defiling, destroying, undermining the health of the users of tobacco, women, as well as men, young and old of both sexes, yet this is but the output of one firm; think of the many companies sending forth daily their cargoes of unclean material to bind and enslave multitudes to an unnatural and soul-blighting habit. Free Methodists, as a people, can rejoice in the fact that from our beginning the voices of pastor and people have been raised against the use of this filthy stuff.

5. Secret, oath-bound societies. As a church we see no reason to change our position with respect to oath-bound secret societies. We believe our position was well taken in the beginning and warn our members to keep themselves free from all such societies, believing them to be unchristian and unnecessary.

6. Last, but not least, we mention Romanism. What shall we say of this slimy, slippery despoiler and disturber of the world? Has she changed? Never. Rome is today as she has ever been, the enemy of civilization, opposing world progress, feeding her devotees on superstition and thriving most where ignorance prevails. Her aim is to obscure the light of sacred word and bind the nations to her unscriptural teachings in unquestioned allegiance. In our own land her greatest effort is being put forth to make America Catholic; and let us not think all her efforts are in vain. We behold politicians on every side catering to her wishes to advance their political interests. This is alarming indeed and is fraught with real danger to our national life as well as our free institutions. We must oppose her encroachments by pen, on the platform, at the ballot box and above all, let us appeal to Almighty God to interpose in behalf of truth and righteousness to save the world from this greatest enemy of Christian progress.

## MISCELLANEOUS

The Kansas Conference met for its fifty-third session at Lawrence, Kansas, and was held in connection with a camp meeting.

Bishop Clark was with us for the first time and very ably presided over the sittings of the conference. His sermons and addresses were of a very high order and were greatly appreciated by every one.

H. W. Hodge, of Brooklyn, and G. W. Griffith, of Chicago, were the evangelists for the camp meeting. Their ministry was made a great blessing to us. There were earnest seekers at nearly every service.

We were glad to welcome our missionary secretary, W. B. Olmstead. He

addressed a great missionary meeting on Sabbath afternoon under the auspices of the W. F. M. S.

L. Glenn Lewis, general educational secretary, was present in the interests of Christian education, preaching once to the edification of all.

Our work shows a decided gain in all departments. We are encouraged and go forth to another year of battle with confident expectation of greater victories than ever in the past.

### MISCELLANEOUS

The fortieth session of the Louisiana Conference was held near Olla, Louisiana, with Chickasaw church. Bishop Warner was with us for the first time, presiding with great acceptability, conducting business with dispatch. His sermons were deeply spiritual and highly instructive, and found a hearty response in the hearts of the hearers. A very inspiring missionary sermon was preached Sunday afternoon by District Elder Edmund Drew. General Conference Evangelist E. Ballenger brought the message each night, bringing conviction to many hearts. Surely our General Conference was wise in selecting Rev. Ballenger for this field. The district elder, J. M. Manchester, and wife, also the pastor, Ralph Milk, and wife did much for the success of the camp meeting and conference. The dear pilgrims of the Chickasaw church were certainly not lacking in hospitality. A spirit of blessing and victory rested on ministers and laity.

The conference voted unanimously against the introduction of instrumental music in our worship; also requested the General Conference to reconsider their former action in regard to labor unions so that our book of Discipline will remain as it was before said action four years ago.

### REPORTS OF COMMITTEES

#### I.—ON MEMOIRS

In the forty years of existence of the Louisiana Conference, in the conflict with the falling away and withdrawals of its ministers, yet few and far between have been the happenings, such as has called us to this service. A little less than one year ago our beloved Rev. J. W. Williams answered his last annual conference roll call at Grand Bay, Alabama, and was called from labor to reward. He fell with the armor on, and his face to the foe. Brother Williams was born in Franklin parish, Louisiana, March 18, 1878. He was converted in early life and soon after was sanctified wholly. He joined this conference on trial in 1905, was ordained deacon in 1912, and elder in 1916. He died January 19, 1922. It is said, and truthfully said, by a great many people that Brother Williams was a good man. He was deep and thorough in his experience, clear in the Scriptures, sound in doctrine, able in preaching and unctuous in prayer. We feel that our conference has lost one of its ablest and best ministers. We feel safe to say that our beloved brother now rests from his labors and his works do follow him.

"Servant of God, well done,  
 Thy glorious warfare's past,  
 The battle's fought, the race is run,  
 And thou art crowned at last."

Mrs. Ida Leola Roark, wife of Rev. N. J. Roark, was born in Franklin Parish, Louisiana, September 1, 1869, and departed this life July 5, 1922. Sister Roark was converted to God in 1887. She united with the Free Methodist Church and lived a constant Christian life until death. She was a cheerful, happy home maker, who loved to comfort the weary traveler and cheerfully provided for God's children. She was a true wife, a faithful mother, a good neighbor. She died very suddenly, her last words being, "Lay me down and let me go to my heavenly Father." So we feel our loss is her eternal gain.

Present—W. A. Sellew, W. Pearce, W. H. Clark, D. S. Warner, M. B. Miller, A. Sims, J. A. Watson, G. W. Griffith, F. D. Brooke, T. H. Marsh, H. Hoyt, J. M. Daniels, E. A. Holtwick, B. L. Perkins.

On account of business engagements, C. I. Tenney was unable to be present.

A claim for aid from the Church and Parsonage Aid Society, because of the burning of the church at Bayham, Ontario, and one because of the loss by fire of the church at Russell Creek, West Virginia, were granted, \$600 to the former, and \$3,000 to the latter.

It was decided that in estimating loss on damaged property, the loss should cover the church and parsonage buildings only, and not any outbuildings.

Communications were received from Greenville, Illinois; Seattle, Washington; Corunna, Michigan, and Central Church, Chicago, requesting the privilege of entertaining the next General Conference. After the representatives of these places had been heard, and careful consideration given to the subject, it was decided by ballot to locate the next session of General Conference at Corunna, Michigan.

### MISSIONARY SECRETARY'S ANNUAL REPORT

Again the time has come to chronicle the accomplishments of another year's effort on our foreign and home mission fields. As a whole the work has been prosperous. Substantial gains have been reported at several important points. The spiritual condition of the work, with but few exceptions, is good. South Africa reports that the last conference session was the best and most spiritual ever held in that country, and Inhambane announces a gain of 200 members during the past year. The work in India is being established and societies have recently been organized at all of our mission stations. In both China and Japan there have been definite, aggressive, spiritual movements, and in the Dominican Republic a good advance has been made. We have a splendid company of noble missionaries who are making every sacrifice possible for the cause which is dearer to them than life itself. In my opinion, it would be difficult to assemble a stronger, more dependable, more spiritual and more efficient company of people than those who are serving the church on our foreign and home mission fields.

On the foreign field and on furlough we are supporting 101 missionaries and 45 children of missionaries. We have in our employ 162 native evangelists and pastors and 132 native women workers and we are supporting and educating 100 orphans. We own and are operating 42 mission stations and we are maintaining 168 out-stations. We have 56 organized Free Methodist societies, with 2,661 members and 1,890 probationers, making a total of 4,551 members, 183 Sunday-schools, with a total of 8,602 members, 116 station schools with 126 native teachers and 2,897 scholars, and 16 boarding and Bible schools with 46 teachers and 448 scholars. In addition to providing the buildings, equipment and teachers for all of these 132 schools, we paid last year nearly \$8,000 toward the support of the students attending them.

We have three hospitals, seven dispensaries and three orphanages. We own 92 church buildings, 36 residences for missionaries, 3 hospital buildings, together with necessary outbuildings and attachments, 3 orphanage buildings, 33 school buildings and a large number of other buildings used for various purposes.

We also rent extensively. We own 5,661 acres of land. The value placed upon our holdings in foreign fields, including land, buildings and furnishings is \$362,403, and it is increasing rapidly. In addition to this, we own property in our home mission fields valued at \$32,000.

During the year two new missionaries and four who were on furlough have been sent to the field, and eleven have returned to this country on furlough. There is an immediate and pressing need for at least eleven new missionaries for Africa, three or four for India, four for China, two for Japan and three or

four for the Dominican Republic. These missionaries must be sent in order to maintain our present work. Several of them should have been sent during the past year, but it has been impossible to secure them.

Our building projects during the year may be listed as follows: In Africa we have erected residences for missionaries at the Inharrime Station, have completed the hospital in Natal, have built additions to the school building at Edwaleni, have sent \$4,000 for a missionary's residence at Edwaleni which is now being built, have purchased missionary residences at Benoni, a city near Johannesburg, and at Pilgrim's Rest in the Bush Buck Ridge territory, and are erecting a missionary's residence and a building for a training school twenty miles from Pilgrim's Rest.

In India a new building for a girls' orphanage has been completed, the orphanage building formerly used by the girls has been remodeled for the boys' orphanage, and a hospital is in process of construction.

In China, because of the floods following the famine, our hospital, which stood in the quan outside of the city wall, was surrounded by water and was rendered useless for hospital purposes. This made it necessary to purchase a site inside the city of Ki Hsien and to erect a new hospital. This has been done, and at the present time the hospital, together with the necessary outbuildings, is nearing completion.

Our most extensive building project is in Japan, where we have sold our school and mission property and have purchased another and much larger site and have undertaken the erection of a group of buildings suitable for school and mission purposes. It is expected that the first two buildings will be completed early in December of the present year.

In the Dominican Republic a valuable building has been purchased in Santiago for a mission and Bible training school and a missionary's residence has been erected in Sanchez.

During the past twelve months our home mission work has made great advancement. Three new missionaries were sent to Panama and the Canal Zone early in June and the work is in a very healthy and prosperous condition. We have a great opportunity in that country both among the English and the Spanish speaking people. Our property there, which is in excellent condition, is valued at \$15,800. The work being done among the Japanese and Mexicans on the Pacific Coast is very encouraging. A building for a Japanese center in Los Angeles has been purchased, repaired and equipped at an expense of about \$25,000. Of this amount \$18,000 is still unpaid, and it is expected that the income from the building will pay the larger portion of this remaining indebtedness. A property has also recently been purchased in Los Angeles for a Mexican church. We are doing a good work among the Indians in north California and also among the mountaineers in Kentucky. In Kentucky we support three missionaries and three new buildings have recently been erected.

Financially this has been a year of depression. At times it seemed as though we could go no farther, but in answer to prayer and the appeals made to the church, the funds have been provided, sometimes it seemed almost miraculously, to meet the need. Our treasurer's report will show that at present we are without funds and are facing a heavy deficiency in the home mission's account.

Personally, I may say that while there have been many perplexities and difficulties on various lines, yet through it all the Lord has assisted and delivered. During the months of May and June, in harmony with the instructions of the Directors, I visited Panama and the Dominican Republic. On this tour Mrs. Olmstead accompanied me. We had a pleasant trip and the results accomplished were regarded by the missionaries as being of great importance to the advancement of the work. We are laboring in a great cause, and we should go forward with courage and faith.

## REPORT OF THE FIELD SECRETARY

It is with sincere gratitude to our heavenly Father for His tender mercy to me and mine the past year that I make my report to you at this time.

The year has been one of constant labor, without interruption, having had the best of health, and laboring with less fatigue than heretofore. I have preached on an average of six times a week during the year, including the sermons or addresses given on missions in the various meetings.

I have traveled 18,177 miles over the states and Canada, 2,600 of which was with a car, when I was accompanied by my wife and daughter, who with me assisted in four camp meetings, as well as in the missionary services: Mrs. Baker and I also assisted in two other camp meetings in the West. It has been necessary to refuse to assist in many ten days' meetings, as well as camp meetings, but I held as many as possible where they did not interfere with my work in looking after the interests of the Board. I should be pleased to employ many bodies in His work, did I possess them.

I was in attendance at ten conferences, and held missionary services. Everywhere the greatest courtesy and consideration have been shown me. In no place have I been refused the privilege of taking subscriptions, as well as offerings for missions. The matter of subscriptions has not been pressed, but I have urged the payment of budget subscriptions, and some I have collected. I have secured several thousand dollars from those outside of the church, and in a few cases the support of native workers, and funds from those not professing religion. The only regret I have is that I have not been able to serve the Lord with greater efficiency and success in the spread of the gospel.

I have been more favored this year, more so than in the past eleven, in being permitted to have my wife with me over half of the time, and our daughter, Edna, during her vacation. God's blessing upon my loved ones in His service has been the greatest joy of my heart, in that we have been permitted to see a goodly number seek and find our Lord and identify themselves with our people. Our children, as well as our own lives, are wholly consecrated to Him for His service, and to see them used in any way for the advancement of His kingdom is our greatest joy.

I have secured \$12,729 in subscriptions, \$9,021.45 in cash, and \$7,350 on annuities, a total of \$29,100. All but \$800 of the annuities were secured at 5% with no provision for the refund of the principal in case of sickness or disability, as provided for in the special form.

My expenses for the year have amounted to \$315.57, all of which have been paid out of the offerings given for assisting in meetings, or that handed to me personally. A detailed account of all expenses is filed with the treasurer. I have on hand at present, for expenses, \$85.00, about the same balance as last year.

## MISCELLANEOUS ITEMS OF BUSINESS

The missionary secretary, treasurer and field secretary made their reports. General Conference Evangelists E. Ballenger and A. D. Zahniser read their reports, and reports were read by the secretary for S. K. Wheatlake and B. W. Huckabee. These reports were on motion received and placed on file. The general missionaries reported their work, which reports were received and placed on file.

The following missionaries were introduced to the Board: Mrs. Lillie Agnew and Miss Alice Evans, from Africa; Miss Helen I. Root and Miss Gertrude Alcorn, from India, and Miss Edith Frances Jones, from China.

Permission was given to our missionaries in India to enter and evangelize a new, unoccupied territory just south of our present field.

The Board voted to purchase a new property adjacent to our mission station which is near Inhambane, Portuguese East Africa.

Action was taken that owing to the deficit in the home missionary treasury

no expansion of home missions work shall be contemplated until, at least, the deficit is paid.

The purchase of a vacant lot adjoining the church in Panama City was left to the discretion of the missionary secretary.

Rev. August Youngren was elected superintendent of the Japanese work on the Pacific Coast and his residence was fixed at Los Angeles, California.

It was ordered that the buildings in China which are under process of construction should be completed. These buildings include the new hospital building in Ki Hsien, the mountain cottages and several small buildings in the compound at Kai Feng and other places.

The missionaries in China were authorized to continue orphanage work for a limited number of girls.

The Board voted that the residence of the missionary in charge of the Osaka and Kobe district should be in the city of Kobe.

The Board elected seven directors, for the ensuing year, as follows: Bishops William Pearce, W. A. Sellw and W. H. Clark; Mrs. Mary L. Coleman, W. B. Olmstead, Peter White and J. M. Critchlow.

The executive committee for home mission work in the southern California territory is as follows: W. W. Vinson, Clara R. Freeland and B. H. Pearson; treasurer, Clara R. Freeland.

B. H. Pearson was elected superintendent of the Mexican work in California.

Bishop W. A. Sellw was elected delegate to the convention of the Foreign Missions Council which is to be held in Erie, Pennsylvania, November 3-6, 1922.

W. B. Olmstead and W. A. Sellw were elected delegates to the Foreign Missions Conference of North America to be held in Bethlehem, Pennsylvania, January 9-12, 1923. Other delegates to this convention are to be appointed by the missionary secretary.

The Board expressed it as its opinion that the missionary secretary should visit our mission fields in Africa, India, Japan and China as soon as practicable after the General Conference.

The policy of continuing the Fair View Girls' School, Africa, as a high school, eliminating the lower standards, was approved.

The Board ordered that a Self-Denial Week should be observed from February 25th to March 4th, the offering to be taken March 4th.

The Board designated February 4, 1923, as the date on which the pastors of the church should be requested to preach on foreign missions and take an offering, according to paragraph 265 of the Discipline.

The week of November 26-December 3, 1922, was set apart as Home Missions Week, during which time thanksgiving offerings are to be asked for throughout the church for the purpose of liquidating the deficit in the home missions treasury. The executive committee of the Woman's Foreign Missionary Society having already designated this as Home Missions Week, voted to cooperate cordially in the general effort to raise this indebtedness.

Furloughs were granted to the following missionaries, to begin in the spring of 1923: Rev. and Mrs. George W. Mills, of the Dominican Republic; Rev. and Mrs. Ralph J. Jacobs and Miss Mae P. Armstrong, of Africa; Miss Edith M. Santee, of India; Rev. and Mrs. G. L. McClish and Miss Bernice M. Wood, of China.

The resignation of Rev. J. T. Taylor, for many years a missionary in India, was accepted and his name was ordered placed on the honor roll.

Candidates for the different foreign fields were considered and several were accepted on condition that proper health certificates are furnished and other conditions are met.

After fully considering the requests for appropriations, and taking into consideration the amount of money received last year from all sources, the Board appropriated \$159,830 for foreign missions and \$23,510.00 for home missions, making a total of \$183,340.00. An appropriation of \$12,490.00 was made for general missions. In addition to this the Board approved requests for appropriations for foreign missions amounting to \$16,898.00, which the secretary was ordered to pay in case the funds are provided.

A memorial service was held for Rev. Benjamin Winget, former missionary secretary, and Rev. J. Barnhart, member of the Board, who have died during the past year. Bishop W. H. Clark presided at this service. Fitting resolutions to the memory of these brethren and their work for the church were read and later adopted by the Board.

The Board voted to give financial assistance to certain students who are preparing for the mission field.

## WOMAN'S FOREIGN MISSIONARY SOCIETY OF THE FREE METHODIST CHURCH OF NORTH AMERICA

### W. F. M. S. Executive Committee

The nineteenth annual meeting of the Executive Committee of the Woman's Foreign Missionary Society convened in their headquarters in the Publishing House, Chicago, October 16, at 10 a. m., the president, Mrs. Mary L. Coleman, in the chair. The roll call was responded to by Mrs. R. E. Sellew, Mrs. B. L. MacGeary, Mrs. L. C. Jensen, Miss A. P. Carpenter, Mrs. Julia A. Muffitt, Mrs. E. F. Shay, Mrs. C. T. Burritt, Miss H. E. Sheldon and Mrs. C. T. Bolles, every member present except Mrs. E. L. Hogue, who was called to Jamestown, New York, by the sad news of the death of her brother, Cyrus E. Jones.

The devotional season was a time of rejoicing for God's preserving care during the year, and His loving hand in maintaining unity among the workers, as well as a time of seeking earnestly for wisdom and guidance for the present time.

Even in these tumultuous times this work of God has moved along with some encouraging features as shown in the department reports.

The home missions secretary, Mrs. E. F. Shay, gave report of a very profitable trip on the Pacific Coast in these interests, raising money, and bringing instruction and encouragement to many societies. The management of this work is now in the hands of the Missionary Board, but the W. F. M. S. raised \$10,872.80 for home missions this year, which is not nearly enough to cover the needs at present. Plans for the observance of the annual home mission week, November 26 to December 3, with the opening of the thank-offering boxes, were discussed and will be announced. Much new work has been opened this year. Twenty-one home missionaries are now under appointment of the Board, and the revival spirit is present in most of the stations.

The treasurer reported total receipts of \$121,436.03 for the year.

The box committees report showed a lack of full cooperation from the conference reporters, but more has been done than before; and there was reported to the corresponding secretary \$3,160.00 for foreign boxes and \$18,460.00 as amount sent to many needy ones in our own land in boxes, and to our schools, city missions, etc.—a large increase.

The Junior superintendent reported an increase of fifty-nine societies, but not as full reporting as there ought to be; more than \$7,000 has been raised by the Juniors this year. The Juniors are not idle, but are studying and learning to make many useful articles, which have been on exhibit at conferences, and they are expected to make themselves known by display of their work at the quadrennial meeting next June.

The report from the literature department was encouraging as showing the continued activity of our women in bringing important knowledge to the people. The sales amounted to \$2,691.53, with a profit of \$388.18. The **Missionary Tidings** needs much better support from the pilgrims, but the report of conditions was encouraging.

The Young People's superintendent being absent, only a partial report was given, showing good increase in membership. A strong committee was elected to prepare a tentative revised constitution for young people to present to the quadrennial meeting in June; one which it is expected will help to meet and provide for the ever-increasing demands for the service of the young people in our church.

The applications of six candidates for the foreign fields were acted upon.

The school secretary reported that six of the eight schools were heard from. Ninety-eight missionary volunteers. Greenville entertained the state Student Volunteer convention, furnished room in new college building, and supported alumnus in China.

Mission study secretary reported an increase of interest, and many reaping the reward of faithful work.

The corresponding secretary's report showed more gain in membership among the young people than elsewhere. The per capita giving of amount that is sent through the treasurers this year is \$4.47.

Mrs. E. L. MacGeary was appointed a committee to prepare copy for a new history of our missionary work, to be issued in booklet form soon.

Plans were made and committees appointed to arrange for the next quadrennial meeting in June, and June first next was voted to be set apart for a day of fasting and prayer for the meeting.

Reports from the district organizers were read.

Our representatives on other of our church boards reported and action was taken.

Many items of business came before the committee for discussion and decision. Five missionaries at home were present a good portion of the time—Mrs. Agnew and Alice Evans from Africa, Gertrude Alcorn and Helen Root, from India, and Edith Jones, from China. Each gave us a profitable talk and cheered our way. Various visitors were present.

Miss Edith F. Jones presented for inspection a copy of the Chinese Free Methodist Church Discipline, which the mission has translated and just published. It is a wonder to us—in workmanship.

A pleasant gift was received from Mrs. Amelia M. Burritt to help in the entertainment of the Executive Committee in Chicago.

The closing was in harmony and the scattering for home was with courage and inspiration for the future.

MRS. C. T. BOLLES, Secretary.

### Report of the W. F. M. S. Corresponding Secretary, 1921-1922

If in all of our missionary efforts we were consciously building only for time, we would turn our interest into some other channel that would show quicker and greater results **now**, for many are the enterprises that do not require the self-denial and sacrifice. But, thank God, "we are building for **eternity**," and we are cheerfully passing of our meager efforts and supplies up into the Infinite hands of Him who multiplied the loaves and fishes; and who has "redeemed unto God" \* \* \* "out of every kindred, and tongue, and people, and nation." Therefore, the W. F. M. S. are banded as "workers together with Him" to continue with unabated zeal and devotion till we meet the "gathered" ones coming up "from the east, and from the west, from the north, and from the south"—those who have heard the gospel through our efforts. Let us increase in every avenue of service.

The opportunities in the home mission field have been developed among us with greater zeal in the year just closed. The door is open to us in Kentucky's needy field; among the Indians in Ione, California; among Mexicans, Japanese and Chinese in California, and foreigners need us everywhere.

The benevolences reported were much in advance of last year, more than \$7,000.00 increase.

The various famine relief funds in other fields than our own have been added to through the W. F. M. S. and through the general treasury.

Our own treasurer could not report as much this year as last by \$14,176.91. Twenty-nine conferences showed loss, while thirteen showed a gain.

The total membership shows a small loss. The active members number more; the number of Young People's societies have increased twenty-four, while their membership numbers 200 more. The Juniors have a gain of 62 societies. Better reporting is much needed. Some of the conferences report more definitely than others. Let us hear from them:

Alberta has been in the midst of famine conditions, and their benevolences have been turned to home needs.

Arkansas and Southern Missouri have doubled their active membership this year and increased in giving. This is an open field for gospel preaching and much in need of consecrated evangelists with the missionary spirit.

California's report seems to indicate a loss in numbers, though more money was raised than before. A new work among the Indians at Ione orphanage, and the Japanese church at Berkeley are fields of interest.

Central Illinois has a large increase among the Young People and Juniors, an increase in **Tidings** subscriptions; also in mission study classes, both for the young

and old. Missionary reading has been stimulated. Benevolences have been large.

Colorado is alive and more interested in mission study, with courage for the future, though membership is a reported loss of \$5. Their interest has reached Kentucky and the Canal Zone.

East Ontario has been helping in the stricken districts of Alberta, but not forgetting the sufferers in the Canal Zone. They have also furnished a room in the Africa hospital.

Genesee shows big loss in membership, but made good gain in giving. Fine work among the Juniors, and more **Tidings** taken than in most conferences.

Georgia and Florida has made a steady gain in membership, with two new societies.

Illinois reports show loss in total membership, but a gain of nearly \$1,000.00 in giving. Positive advance has been made among the Young People. Note the work on one district among them: ninety-two members. They held sixty-five meetings (one public at each district quarterly meeting), raised \$331.92, wrote letters to missionaries, had reading contests with great good resulting, have mission study classes, and had an exhibit of work done at conference camp meeting in co-operation with the Juniors. The Juniors are well organized in twelve places. One local society at Evanston raised \$2,066.10 for benevolences, home and foreign missions. They have regular prayer schedules for the year. Their W. F. M. S., Young People and Juniors are all standard societies.

Iowa gained in membership, benevolences were increased, and the Des Moines local society raised \$474.87 for home and foreign missions. They report encouragement.

Louisiana has scattered members that do not get together at some conferences do, but their giving has increased this year. One preacher's family, J. M. Manchester's, twelve in number, each hold life certificates of membership, and they keep the missionary light burning.

Michigan has shared the members on one district with the new North Indiana Conference. They have splendid increase among Young People. The benevolences have been very large, helping in many directions, as usual. Over \$800.00 increase in money.

Minnesota and Northern Iowa made a fine gain in members.

Missouri gained in active and honorary members. Splendid field for devoted men and women to go into.

New York is always doing good work in sending boxes. They show more than 100% loss in money given.

North Dakota reports that more than seventy-eight missionary books have been read, and many leaflets. Enjoy their work.

North Michigan has had splendid results from a reading campaign. One circuit read 13,056 pages and one 10,000. Interest and cooperation is increasing. Much help was given their new missionary, Miss Persis Phelps, who has gone out this year.

North Minnesota has fine gain in giving as well as in membership.

Ohio is steadily gaining, especially among the young; also in giving.

Oil City has an increase of 103 Young People, and were much encouraged by increased interest at conference.

Oklahoma shows a splendid gain of 158 members.

Oregon is a strong leader in the work for foreign boxes, giving much of their dried fruit; also does much work for the needy anywhere within reach.

Pittsburgh has an interest in developing the Young People for the work. Many societies have sent boxes to the Providence Mission and Kentucky Mission; and fine boxes to Africa, as well as supporting three children there. Considerable loss in giving to the general work.

Saskatchewan has good increase, with benevolences larger than ever, for there was much needed in their own territory.

Southern California is always in the lead, and stands at the head in home and foreign giving, and in sending out missionaries, and in mission study.

South Dakota is strong in mission study classes; held workers' institute six days at camp meeting; held five sittings at conference, and much time and money

was spent for benevolences and boxes. Money sent through the treasurer was much less.

Susquehanna made an increase of 120 members, and is much interested in its missionaries.

Texas has had a hard blow this year in losing the school, but we expect to hear a gain of their missionary work. They have nearly 100% gain in money given.

Wabash has total gain of 194 members, as well as a good increase in all activities.

Washington has "good workers but poor reporters." We know of their missionary zeal by the results in the missionaries sent out, and a good increase in money sent to the treasurer.

West Kansas had a fine display at conference of hand work done by the Young People and Juniors for mission boxes—all showing increased interest. Mission study is increasing, also giving in money.

West Ontario missionary work is moving on encouragingly and always with large membership, which speaks of good workers in Canada.

There are some general conclusions we may come to from reports given, viz.: Wherever there has been an increase of missionary reading, more study classes, more attention paid to the Juniors, and better organization among the Young People it has produced fruitage, but not for one year only. With all this there must be more prayer.

The more general and frequent presence of missionaries throughout the conferences has been a grand stimulus. The college students, Rev. James H. Taylor, born in China, and Mitsu Kawabe, born in Japan, have been very helpful and they have been sacrificing in their vacation travels among us. The missionary secretary has the gratitude of the W. F. M. S. for all this help given.

We expect to "girdle the globe with salvation," and be ready when Jesus comes, hoping to have trophies to lay at His feet.

C. T. BOLLES, Cor. Sec.
